West Park Historical Society is a 501(c)(3) nonprofit educational organization. Our members and friends make it possible for us to offer interesting programs, publications, and events to the community while supporting our mission to research, record, and preserve the history of West Park for future generations.

Members receive advance notice of our programs and special events, plus discounts on our books featuring images and stories from West Park's past. We offer a **15% discount** for members who contract to rent our historically themed community room for gatherings and meetings.

Your support is essential to fulfilling our mission. Thank you.
